Elanggovan Thanggavilo, founder and program director has explored and searches on Yoga & Meditation the Indian Ancient Knowledge as earlier as 20 years old. He begins officially and systematically since at the age of 27 years old in 1998 from Malaysia's renowned Meditation & Yoga Training Institute (SAC). Then from 2001 become a prime student of Yoga Master, Yoga Bishekh Dr. M. Raajamanikam D.Sc.

He was guided and initiated in the Kundalini Yoga Meditation by Paranjothi Subramaniam. Under guidance from his revered guru's, he began practicing Kundalini Yoga Meditation from 10th June 1998 and soon became a teacher himself on yoga and meditation science of living. While continuing with his spiritual development, Elanggovan studied and embraced the latest Western concepts in psychology and psychotherapy. This took him to the United Kingdom to explore modern human resource development methodology. For the past 13 years of extensive exploration now he draws an original fact on yoga & meditation. Naturally born Un-conditional Love made him realize the need to design the original scientific concept of yoga & meditation without conflict of religious aspect, not even the words or pictures in all trainings.

GL=GL

In life nothing same but everything are;

Whole process of life flow is fluctuating variable except;

GAIN + LOST = GREAT LESSON;

Sum of all GREAT LESSON are for SELF REALIZING.

Which is astonishingly unique formula to even to think or accept about the said consistent result! "GL=GL"
